

29 April 2009

Harding Consultants Ltd
P O Box 5512
CHRISTCHURCH

Attention: Glenda Harding

Dear Glenda

IPENZ Transportation Conference 2008

Now that we have tied up all loose ends, on behalf of the IPENZ Transportation Group I would like to take the opportunity to thank you and your team at Harding Consultants for all your effort and dedication toward organising Conference 2008.

As you are aware, our annual conference is the premier forum for our members and the wider transportation community, and a flagship event for the IPENZ Transportation Group. Furthermore, in the ever competitive conference market, organisers are continually looking for innovation and creativity to gain a competitive advantage to attract potential delegates.

You and your team continue to exceed expectations by adding value and innovation to our conferences year after year and for that, the Transportation Group is truly thankful. Without your involvement I very much doubt that our conference would have grown and evolved in the way that it has in recent years. Your efficiency and professionalism (not to mention sense of humour and fun) are faultless and I would have no hesitation in recommending Harding Consultants to any prospective clients. Your team has truly been a delight to deal with over the past 18 months.

With the conference now moving to a new time slot earlier in the year, it is imperative that the Transportation Group re-establish our conference on the annual calendar to ensure its on-going success. I have no doubt in my mind that with Harding Consultants at the helm we will continue to see our event go from strength to strength in years to come.

Finally, could you please pass on my special thanks to Sally van Beek and Libby Hilder for their efforts toward the success of the conference and I look forward to dealing with you and your team in the future.

Yours sincerely

Glen Prince
Organising Committee Chairman
