Navigating the Challenges –
Needs Assessment and Service Co-ordination

NAVIGATING

The Challenges

Needs Assessment and Service Coordination
Christchurch, 1 & 2 December 2008

OVERVIEW

It is expected that there will be not for profit organisations, individuals and families who may wish to attend this conference. However, due to financial reasons they may be unable to afford this.

There are opportunities available to sponsor the following:

- Not for Profit Organisations who wish to exhibit to promote or inform conference delegates of their service
- Not for Profit Organisations who wish to present a paper at the conference. Whilst they do not need to register to present, they do need to register if they wish to attend all the conference.
- Individuals or families who would like to present a paper
- Individuals or families who would like to attend

Costs and full details for all of these are on the website. However, in brief

- To sponsor an organisation to exhibit, we would recommend the Supporting Sponsor level at \$1,000.00 + GST.
- To sponsor an individual to attend the conference, the cost is \$425.00 + GST for the full conference and \$300.00 + GST to attend for one day.

Please note that this sponsorship would not cover flights or accommodation – it would be in the form of a registration or exhibition sponsorship (limited to a Bronze Sponsor at \$1,000.00)

How do I approach this?

Please send an email advising that you are interested, and the level you would be prepared to support to and we will provide you with a list of those organisations; individuals or families who have registered their interest.
