Needs Assessment and Service Coordination

Christchurch, 1 & 2 December 2008

OVERVIEW

If you are interested in being involved with the NASCA Conference but are unable to financially afford it – we may be able to help.

We have asked organisations if they would be interested in sponsoring people in the following areas

- Not for Profit Organisations who wish to exhibit to promote or inform conference delegates of their service
- Not for Profit Organisations who wish to present a paper at the conference. Whilst they do not need to register to present, they do need to register if they wish to attend all the conference.
- Individuals or families who would like to present a paper
- Individuals or families who would like to attend

Please note that this sponsorship would not cover flights or accommodation – it would be in the form of a registration or exhibition sponsorship (limited to a Bronze Sponsor at \$1,000.00)

How do I get on the list?

If you believe you fit into one of the above categories then please email glenda@hardingconsultants.co.nz to express your interest.

Please note that by doing this you agree to have your details forwarded to parties who express an interest in helping.
