

Trip Generation Seminar

Auckland 10 September 2009

For Engineering and Planning Practitioners. Preliminary Notice

Registrations are invited for this one day advanced Seminar arranged by Trips Database Bureau jointly and on behalf of IPENZ, NZPI, University of Auckland, University of Canterbury, AITPM, TRICS-UK.

The Seminar is designed for Practising Engineers and Planners involved in data collection, reporting and policy formulation. It is particularly relevant to those involved in the interaction of Land Use and Transportation, Integrated Transportation Assessments and long term Integrated Transportation Planning. IPENZ and NZPI include this as an approved Professional Development Course.

The Location, Date and Time

Hyatt Regency Hotel - Auckland Thursday 10 September 2009 from 8.45 am to 6.00 pm. Note Your Diary and Apply Now

Purpose and Programme

The seminar is aimed to expand the technical understanding of Engineer and Planner practitioners by describing the trip generation research, databases, transportation assessments and integrated policy work being undertaken in New Zealand, United States, United Kingdom and Australia. A more detailed programme and the list of presenters will be forwarded to registrants. Prior to the seminar participants will be provided with abstracts of the main presentations and also a list of propositions and questions circulated for discussion on the day

Seminar Route Map

1. In the first morning sessions there will be an overview of current trip generation research in New Zealand including a description of some significant surveys, recent major research reports and a presentation on best NZ practice for Integrated Transportation Assessments. (9.00-10.45am)
2. Before lunch and in the two post lunch sessions the equivalent international experience will be described including practitioner support and best practices, with examples from America, England and Australia.

3. At Noon the TDB 2009 AGM will provide light relief, staged debate and time for 'shop talk' (with lunch being served from 12.30 to 1.30pm)

4. For the last quarter, after some workshop group discussion on matters raised during the day, the attendees will come together to participate in a lively peer panel debate covering some key questions. (5.30-6.30pm)

5. Wind down canapés and refreshments - (5.00-6.00 pm)

The Location, Date and Time

For engineers and planners from TDB member organisations.
\$311 + GST \$39 = \$350

For other NZPI, IPENZ (including Transportation Group) members
\$400 + GST \$50 = \$450

Non members of IPENZ or NZPI \$445 + GST \$55 = \$500

Note Those who are also attending the TRAFINZ Conference (from 6th-9th September at this same venue)

will be eligible for a discount of \$100 on their relevant registration fee shown above.
