Presentation title	A Register of Road Safety Auditors		
Presentation Remit	<p>At the Group's 2005 conference I presented a proposal that the Group set up a register of road safety auditors. The response was mixed. By a show of hands the conference voted that I should continue working with the Management Group. I met with the Management Group but there was no clear way forward. Therefore, unless the conference thinks otherwise, I propose that no further action be taken, and the matter is closed.</p>
