Presentation title	ARTA - 20 months on - Have we made a difference?		
<p>Presentation Remit (100 word maximum) ARTA has been on the transport scene now for 20 months. Expectations for the Auckland region's transport authority have been very high. Initially most Aucklanders and the transport profession were prepared to wait for ARTA to "bed itself in", but after 20 months there is a feeling that the honeymoon is over and it's time to see what has been achieved.</p> <p>This presentation will outline the progress that ARTA has made to date and what we are proposing in the near future, that will make a real difference to transport on the ground.</p>
