Presentation Remit			
<p>Numerous requests were received from schools within Christchurch City Council to implement a drop off/pick up zone. Some schools and businesses have created their own signs and Christchurch City Council (CCC) wish to standardise the signage used to conform with the Land Transport Rule (Traffic Control Devices 2004) and to have a consistent approach throughout New Zealand.</p> <p>Contact with Bob Gibson (Land Transport New Zealand, Wellington) has highlighted the possibility of using the "No Parking" sign R6-70. The signage CCC are proposing for the drop off/pick up zone for the schools have been adopted from the signs which are to be used at the Christchurch Airport where a similar situation exist.</p>
