| Presentation title | Australian Level Crossing Assessment Model (ALCAM) | | |
| Presentation Remit | <p>A brief outline of ALCAM and New Zealand's role in its future development and application. The presentation will describe the joint ONTRACK / Land Transport NZ project to assess all public level crossings in New Zealand. Workshop participants will be invited to discuss the project and how the project team can ensure the necessary involvement of road practitioners and controlling authorities.</p> | | |
