Presentation title	The Transportation Infrastructure Challenge in South East Queensland		
Presentation Remit			
<p>This presentation discusses several of the current challenges for transport infrastructure in South East Queensland.</p> <p>The basis for this discussion has come from the presenters experience working with government agencies, experienced local and international consultants, elected officials and the community in the development and delivery of major infrastructure projects in the region.</p> <p>South East Queensland has been growing rapidly over the past 20 years, increasing by almost one million people. Comprising 18 local councils, it is predicted that this growth will continue at a rate of more than 1000 people a week to reach 3.7 million in 2026.</p> <p>The discussion covers:</p> <ul style="list-style-type: none"> o The Transport Task o The Government Response o The Industry Response o The Community response o Sustainability Awareness o Where to from here?
