Presentation title	The Grunt to Get Travel Surveys		
Presentation Remit			
<p>Your focus group NZTPDB had a very busy year spreading its network, undertaking the March Travel Workshops, developing the website, undertaking basic research on transport assessments, trip and parking correlation of NZ/TRICS UK and struggling to add survey data to the national trip and parking database..</p> <p>In most areas we have had great success and your Board is pleased to have crossed the 50 member threshold. We are also getting traction and interest in our work over in Australia as well as NZ.</p> <p>We are again alarmed at the small number of survey results you have (have not) sent in for the database. We plead keep those survey results coming in. Members now have a new disc and a new Database User Guide.</p> <p>REMIT when NZTPDB researchers and Board members ask for more results, get off your (?) and please send them in. This year we will be on some of your door steps to extract the information from you directly !! - LOOKOUT !!.</p>
